

# FireSmart Grant Rebate 2024

CITY OF MERRITT, FIRE AND RESCUE DEPARTMENT

Applicant's name (print): \_\_\_\_\_

Physical address: \_\_\_\_\_

Telephone (daytime): \_\_\_\_\_ (Evening): \_\_\_\_\_

*Please Initial:*

\_\_\_\_\_ I am the homeowner of the residence indicated above.

\_\_\_\_\_ I am aware that rebates will be distributed on a first-come, first-served basis. In light of the recognized wildfire hazard outlined in our Community Wildfire Protection Plan, twelve rebates will be specifically allocated to residents residing in the Bench area who do not fall within an existing wildfire ordinance area.

\_\_\_\_\_ I understand that before any work can be carried out and considered for the rebate process, a Local FireSmart Representative (LFR) must evaluate my property and complete a FireSmart Home Ignition Zone card as well as a FireSmart Work Hours Form.

\_\_\_\_\_ I acknowledge that rebates are subject to a maximum limit of 50% of the overall cost of eligible activities, with a cap of \$5000.00 per property as the highest amount that can be awarded per property.

\_\_\_\_\_ I am aware that there is a restricted quantity of rebates available for this year's intake and that the acceptance of an application form does not guarantee the rebate.

\_\_\_\_\_ Upon approval, I have a 60-day timeframe, starting from the day I receive the FireSmart Work Hours Form, to finish the project work and submit the completed forms to receive the rebate. In certain cases, extensions may be granted by a Local FireSmart Representative (LFR) based on the progress of the project.
