Policy 5-18

CATEGORY 5.0 – Engineering and Development	COUNCIL POLICY BANNERS Contact Department: Engineering and Development
--	---

1. Statement

The City of Merritt is willing to support advertisement of non-profit events through hanging of banners provided that criteria for banner specifications are met.

2. Background

The City frequently receives requests from non-profit societies and groups to advertise events such as Lung Association Week, Cancer Awareness, Fall Fair and Rodeo, etc, to hang an advertising banner across Voght Street to raise public awareness and promote a community event.

3. Objectives

To accommodate requests to hang banners in a cost efficient manner.

4. Application

- 4.1 Banners must be a maximum of 9 metres (30 feet) in length and must have a minimum of 6 metres (20 feet) of length of rope extending from each end of the banner, or a minimum total (banner plus ropes) of 21 metres (70 feet).
- 4.2 Banners must be constructed with wind slots and must have the rope sewn or woven into the banner. Banners that do not meet these specifications will not be accepted.
- 4.3 Banners will be suspended from the ranch gates at the northeast end of Voght Street. No other locations are permitted.

Amendments

May 23, 2006: Adopted (Resolution No. 195/06)
January 23, 2018: Amended (Resolution No. 013/18)
