

FireSmart Chipping Program 2026

CITY OF MERRITT, FIRE AND RESCUE DEPARTMENT

Applicant's name (print):

Physical address:

Phone Number:

Email Address:

- ☐ I am the homeowner of the residence indicated above.
- ☐ I understand that the Merritt FireSmart™ Community Chipping Program is offered on a first come first serve basis. The dates offered: May 11th, July 13th, September 14th 2026. You will be contacted after submission with confirmation of your registration. If the amount has been exceeded for the nearest available date, you may still be eligible for the remaining date(s).
- ☐ I understand that materials eligible for curbside pickup through this program are as follows: Cedar, Juniper, Pine, Conifer branches and pruning (Spruce, fir, Pine). Deciduous (leafy) trees and shrubs are not eligible for pickup unless deemed appropriate by a Wildfire Mitigation Program (WMP) Assessment. (Contact FireSmart@merritt.ca for a home WMP assessment) Materials cannot exceed 15" in diameter.
- ☐ I understand that all acceptable material put out for pickup will not contain roots, dirt, rocks, gravel or non-organic material as they can damage the chipper. Material that is deemed unacceptable will be left on site.
- ☐ I understand that all acceptable material must be placed curbside by 7:00am of your confirmed date. It is preferred, if possible, that the trees limbs and branches are spread out as much as possible and not in one large pile..
